Privacy and Cookies Policy

Expo 2021 Doha, Qatar recognizes the importance of data privacy to its website visitors and customers.

To this end we have developed a privacy policy that covers how we collect, use, disclose, transfer, and store your personal information.

Collection and use of personal information:

Personal information is data we gather and can be used to uniquely identify or contact a single person.

You may be asked to provide your personal information anytime you are in contact with Expo 2021 Doha, Qatar.

What personal information do we collect?

When you visit, register or send information at the Expo 2021 Doha, Qatar website, download a document or request a service, we may collect a variety of information such as: your name, mailing address, phone number, email address, and contact preferences.

How we use your personal information:

The personal information we collect allows us to keep you posted on Expo 2021 Doha, Qatar's latest news and so on. It also helps us to improve our services and content. However, you can use some of our services without registration.

Occasionally, we may use your personal information to send important email notifications, such as communications about changes to our terms, conditions, and policies.

We may also use personal information for internal purposes such as auditing, data analysis, and research to improve our services and customer communications.

Protection of personal information

Expo 2021 Doha, Qatar takes strict precautions and procedures including administrative, technical, and physical measures to protect your personal information against loss, theft, and misuse, as well as unauthorized access, disclosure, alteration, and destruction.
